Administration for Community Living (Health and Human Services)					

Special Programs for the Aging, Title IV & Title II, Discretionary Projects	5/12/2020	\$300K to \$3M Grant Award WEST VIRGINIA BUREAU OF SENIOR SVCS, PROGRAM	\$450,000.00		The purpose of this emergency FOA is to support capacity and resource allocation at the state, local and territorial level to ensure coordination across agencies and support immediate response to urgent needs resulting from COVID-19. Funding will enable states to support ADRCs in providing critical access functions to those populations most at risk of COVID-19 and mitigate adverse effects resulting from this national pandemic such as social isolation, limited access to nutritional supports and personal care services, etc. An example of expected activities include the development and/or enhancements of innovative services or service structures, i.e. Ensure statewide Information & Referral (I&R) access system is able to collaborate with local restaurants and/or online/mobile food order and delivery services (e.g., Peapod, Instacart, Grubhub, DoorDash) to provide delivered meals; Ensure statewide I&R access system is able to collaborate with local transportation services to engage in reserve transportation services to deliver meals, food and medications to older adults, people with disabilities and their caregivers.
Special Programs for the Aging, Title VII, Chapter 2, Long Term Care	4/20/2020	Awd # 2001WVOMC3WE ST VIRGINIA BUREAU OF SENIOR SVCS, PROGRAM	\$129,281.00		The principal role of this Ombudsman Program is to investigate and resolve complaints made by or on behalf of residents of nursing homes or other long-term care facilities. Ombudsmen also promote policies and practices needed to improve the quality of care and life in long-term care facilities and educate both consumers and providers about residents' rights and good care practices.
Special Programs for the Aging, Title III, Part B, Grants for Supportive Services and Senior Centers	4/1/2020	Awd # 2001WVSSC3WE ST VIRGINIA BUREAU OF SENIOR SVCS, PROGRAM	\$1,292,810.00		The Older Americans Act Nutrition Programs include the Congregate Nutrition Program and the Home-Delivered Nutrition Program. The purposes of these programs are to (1) reduce hunger and food insecurity (2) promote socialization (3) promote health and well-being, and (4) delay adverse health conditions. In response to COVID-19 new guidance and policy was put in place for all senior providers have emergency plans for operations; new Federal policies will allow the use of Federal Title funds to address the priority nutritional needs of seniors; i.e. home-delivered meals continue and individuals receiving congregate meals will continue to receive meals.

Special Programs for the Aging, Title III, Part C, Nutrition Services	3/20/2020 \$1,034,248 ; 3/20/2020 \$517,124; 4/20/2020 \$3,102,745	Awd # 2001WVHDC2; 2001WVHDC3; 2001WVCMC2WE ST VIRGINIA BUREAU OF SENIOR SVCS, PROGRAM	\$4,654,117.00		To provide grants to States and U.S. Territories to support nutrition services including nutritious meals, nutrition education and other appropriate nutrition services for older adults in order to maintain health, independence and quality of life. Meals and nutrition services are to be served in a congregate setting or delivered to the home, if the older adult is homebound.
National Family Caregiver Support, Title III, Part E	4/20/2020	Awd # 2001WVFCC3WE ST VIRGINIA BUREAU OF SENIOR SVCS, PROGRAM	\$650,257.00		To assist States, Territories in providing multifaceted systems of support services for: (1) Family caregivers; and (2) older relative caregivers. Services to be provided include: information to caregivers about available services; assistance to caregivers in gaining access to the services; individual counseling, and caregiver training to caregivers to assist the caregivers in making decisions and solving problems relating to their caregiving roles; respite care to enable caregivers to be temporarily relieved from their caregiving responsibilities; and supplemental services, on a limited basis, to complement the care provided by caregivers.
ACL Centers for Independent Living	4/20/2020	2020 ILC3 - CARES awards to Charleston Huntington Morgantown	\$941,295.00		To support a Statewide network of centers for independent living (centers or CILs) and provide financial assistance to centers that comply with the standards and assurances in section 725(b) and (c) of the Rehabilitation Act of 1973, as amended (Rehabilitation Act) consistent with the design included in the State Plan for Independent Living for establishing a statewide network of centers. Centers are consumer-controlled, community-based, cross-disability, nonresidential, private nonprofit agencies that are operated in local communities by individuals with disabilities and provide an array of IL services that are designed to enhance independence and productivity of individuals with significant disabilities and to promote their full inclusion and integration into the mainstream of American society.

Special Programs for the Aging, Title IV & Title II, Discretionary Projects	6/4/2020	Awd # 90NWC30048WE ST VIRGINIA BUREAU OF SENIOR SVCS, PROGRAM	\$5,454.00	The purpose of this emergency FOA is to support capacity and resource allocation at the state, local and territorial level to ensure coordination across agencies and support immediate response to urgent needs resulting from COVID-19. Funding will enable states to support ADRCs in providing critical access functions to those populations most at risk of COVID-19 and mitigate adverse effects resulting from this national pandemic such as social isolation, limited access to nutritional supports and personal care services, etc. An example of expected activities include the development and/or enhancements of innovative services or service structures, i.e. Ensure statewide Information & Referral (I&R) access system is able to collaborate with local restaurants and/or online/mobile food order and delivery services (e.g., Peapod, Instacart, Grubhub, DoorDash) to provide delivered meals; Ensure statewide I&R access system is able to collaborate with local transportation services to engage in reserve transportation services to deliver meals, food and medications to older adults, people with disabilities and their caregivers.
CDC (Health and Human Services)				
Epidemiology and Laboratory Capacity for Prevention and Control of Emerging Infectious Diseases	4/23/2020	Direct Allocation DHHR	\$5,556,448.00	Priorities in 2019-2023: (1) Surveillance, Detection, and Response (a) Enhance investigation and outbreak response (b) Improve surveillance and reporting (c) Strengthen laboratory testing for response (d) Improve laboratory coordination and outreach to improve efficiency (e) Enhance workforce capacity (f) Enhance coordination between epi-lab (g) Advance electronic information exchange implementation (h) Sustain and/or enhance information systems (i) Enhance laboratory testing for surveillance and reporting (2) Prevention and Intervention (a) Implement public health interventions and tools (b) Implement health promotion
CK19-1904 Epidemiology and Laboratory Capacity for Prevention and Control of Emerging Infectious Diseases (ELC)	5/18/2020	Direct Allocation DHHR	\$57,211,926.00	Priorities in 2019-2023: (1) Surveillance, Detection, and Response (a) Enhance investigation and outbreak response (b) Improve surveillance and reporting (c) Strengthen laboratory testing for response (d) Improve laboratory coordination and outreach to improve efficiency (e) Enhance workforce capacity (f) Enhance coordination between epi-lab (g) Advance electronic information exchange implementation (h) Sustain and/or enhance information systems (i) Enhance laboratory testing for surveillance and reporting (2) Prevention and Intervention (a) Implement public health interventions and tools (b) Implement health promotion

Epidemiology and Laboratory Capacity for Prevention and Control of Emerging Infectious Diseases (ELC)	5/28/2020	Direct Allocation DHHR	\$903,200.00		Priorities in 2019-2023: (1) Surveillance, Detection, and Response (a) Enhance investigation and outbreak response (b) Improve surveillance and reporting (c) Strengthen laboratory testing for response (d) Improve laboratory coordination and outreach to improve efficiency (e) Enhance workforce capacity(f) Enhance coordination between epi-lab (g) Advance electronic information exchange implementation (h) Sustain and/or enhance information systems (i) Enhance laboratory testing for surveillance and reporting (2) Prevention and Intervention (a) Implement public health interventions and tools (b) Implement health promotion
CK19-1904 Epidemiology and Laboratory Capacity for Prevention and Control of Emerging Infectious Diseases (ELC)	7/15/2020	Direct Allocation DHHR	\$50,000		Priorities in 2019-2023: (1) Surveillance, Detection, and Response (a) Enhance investigation and outbreak response (b) Improve surveillance and reporting (c) Strengthen laboratory testing for response (d) Improve laboratory coordination and outreach to improve efficiency (e) Enhance workforce capacity(f) Enhance coordination between epi-lab (g) Advance electronic information exchange implementation (h) Sustain and/or enhance information systems (i) Enhance laboratory testing for surveillance and reporting (2) Prevention and Intervention (a) Implement public health interventions and tools (b) Implement health promotion
Public Health Emergency Preparedness	6/22/2020	Direct Allocation DHHR	\$5,066,485.00		For Budget Period 2,(July 1, 2020, to June 30, 2021), all PHEP recipients must continue to address and comply with the programmatic requirements outlined in the PHEP NOFO, which remain in effect. The PHEP NOFO and the PHEP logic model describe the comprehensive goals of the PHEP program in these six domains: (Domain 1)Community Resilience (Domain 2) Incident Management (Domain 3) Information Management (Domain 4) Countermeasures and Mitigation (Domain 5) Surge Management (Domain 6) Biosurveillance. Recipients should build or sustain their programs' strategies and activities in accordance with the expectations and requirements stated within the PHEP NOFO, subject to any changes made in this continuation guidance, including changes made to reflect requirements of the Pandemic and All-Hazards Preparedness and Advancing Innovation Act of 2019. The PHEP NOFO provides further details regarding the programmatic requirements in the six capability domains, with a goal of achieving "established" operational readiness in all capabilities by the end of the performance period in 2024.

Hospital Preparedness Program and Public Health Emergency Preparedness	3/16/2020	Direct Allocation DHHR	\$5,000,803.00		The intent of this program is to fund state, local, and territorial public health departments for HHS Secretarial declared and non-declared public health emergencies having an overwhelming impact on jurisdictional resources. These emergencies require federal support to effectively respond to, manage, and address a significant public health threat. CDC seeks to enhance the Nation's ability to rapidly mobilize and respond to specific public health crises or emergencies. In addition to immediate response activities, this program provides a mechanism to accelerate readiness for an impending infectious disease threat or other public health crises identified on the event horizon.
Immunization Cooperative Agreements	6/21/2020	Cooperative Agreement	\$1,992,636.00		The program objective is to assist states and communities in establishing and maintaining preventive health service programs to immunize individuals against vaccine-preventable diseases (including measles, rubella, poliomyelitis, diphtheria, pertussis, tetanus, hepatitis B, hepatitis A, varicella, mumps, haemophilus influenza type b, influenza, and pneumococcal pneumonia).
Immunization Cooperative Agreements	6/4/2020	Cooperative Agreement	\$636,171.00		The program objective is to assist states and communities in establishing and maintaining preventive health service programs to immunize individuals against vaccine-preventable diseases (including measles, rubella, poliomyelitis, diphtheria, pertussis, tetanus, hepatitis B, hepatitis A, varicella, mumps, haemophilus influenza type b, influenza, and pneumococcal pneumonia).
Injury Prevention and Control Research and State and Community Based Services	6/17/2020	Direct Allocation DHHR	\$19,620.00		State and Community Program Grants/Cooperative Agreements: To develop, implement, and promote effective injury and violence prevention and control practices. (1) To support injury control research on priority issues; (2) to integrate aspects of engineering, public health, behavioral sciences, medicine, engineering, health policy, economics and other disciplines in order to prevent and control injuries more effectively; (3) to rigorously apply and evaluate current and new interventions, methods, and strategies that focus on the prevention and control of injuries; (4) to stimulate and support Injury Control Research Centers (ICRCs) in academic institutions which will develop a comprehensive and integrated approach to injury control research and training; and (5) to bring the knowledge and expertise of ICRCs to bear on the development of effective public health programs for injury control.
HRSA (Health and Human Services)					

FY 2020 Expanding Capacity for Coronavirus Testing (ECT) Multiple Municipality Awds	Multiple Award Dates	Direct Allocation DHHR	\$9,833,557.00		The program objective is to improve the health of the Nation's underserved communities and vulnerable populations by assuring access to comprehensive, culturally competent, quality primary health care services. To continue comprehensive, primary health care services in areas already supported by the Health Center Program. Individual health center grant mechanisms include: (1) Community Health Centers; (2) Migrant Health Centers; (3) Health Care for the Homeless; and (4) Public Housing Primary Care Program.
FY 2020 CARES	Multiple Award Dates	Direct Allocation DHHR	\$22,140,020.00		The program objective is to improve the health of the Nation's underserved communities and vulnerable populations by assuring access to comprehensive, culturally competent, quality primary health care services. To continue comprehensive, primary health care services in areas already supported by the Health Center Program. Individual health center grant mechanisms include: (1) Community Health Centers; (2) Migrant Health Centers; (3) Health Care for the Homeless; and (4) Public Housing Primary Care Program.
FY 2020 CARES Supplemental	Multiple Award Dates	Direct Allocation DHHR	\$1,738,585.00		The program objective is to improve the health of the Nation's underserved communities and vulnerable populations by assuring access to comprehensive, culturally competent, quality primary health care services. To continue comprehensive, primary health care services in areas already supported by the Health Center Program. Individual health center grant mechanisms include: (1) Community Health Centers; (2) Migrant Health Centers; (3) Health Care for the Homeless; and (4) Public Housing Primary Care Program.
Poison Center Support and Enhancement Grant Program for COVID spt	4/22/2020	WVU Research for Poison Centers Grant	\$28,437.00		The program objectives are (1) to support PCCs' efforts to prevent, and provide treatment recommendations, for poisonings; (2) to comply with operational requirements needed to sustain accreditation and or achieve accreditation; and/or (3) improve and enhance communications and response capability and capacity as stated in Section 1273 as stated in Section 1273 (b) of Public Law 113-77.

Small Rural Hospital Improvement Grant Program	4/20/2020	Direct Allocation DHHR	\$1,854,974.00		The program objective is to support hospital activities related to patient quality improvement, attaining equipment and/or training to comply with meaningful use of health information technology, ICD-10 standards, and payment bundling. Hospitals will utilize funds to: 1) pay for costs related to maintaining accurate prospective payment system billing and coding such as updating and or implementing ICD-10 hardware/software 2) pay for the costs related to delivery system changes as outlined in the ACA such as value-based purchasing (VBP), accountable care organizations (ACO), and payment bundling.
Ryan White HIV/AIDS Program Part B COVID 19 Response	4/13/2020	Direct Allocation DHHR	\$67,853.00		The program objective is to enable States and Territories to improve the quality, availability, and organization of a comprehensive continuum of HIV/AIDS health care, treatment, and support services for eligible individuals living with Human Immunodeficiency Virus (HIV) disease.
Ryan White HIV/AIDS Program Part C Outpatient EIS		Direct Allocation Award # H7601719 WVU Research Corporation	\$407,048.00		Program objectives are to provide a comprehensive continuum of HIV primary care in an outpatient setting. This includes: 1) HIV counseling, testing and referral; 2) medical evaluation and clinical care; 3) other primary care services; and 4) referrals to other health services. The capacity development grant is used to enhance, or expand access to high quality primary health care services to persons living with HIV or who are at risk of infection in underserved or rural communities. This program is not intended to support long term activities. Award: WVU Research Corp.
Ryan White HIV/AIDS Program Part C Outpatient EIS		Direct Allocation Award H7600762 Awards to CAMC Health Education and Research Center	\$470,864.00		Program objectives are to provide a comprehensive continuum of HIV primary care in an outpatient setting. This includes: 1) HIV counseling, testing and referral; 2) medical evaluation and clinical care; 3) other primary care services; and 4) referrals to other health services. The capacity development grant is used to enhance, or expand access to high quality primary health care services to persons living with HIV or who are at risk of infection in underserved or rural communities. This program is not intended to support long term activities.

Ryan White HIV/AIDS Program Part C EIS COVID 19 Response	4/13/2020	Direct Allocation Award H7C36784 & H7C36823 CAMC Health Education and Research Center & WVU Research Corporation	\$140,500.00		Program objectives are to provide a comprehensive continuum of HIV primary care in an outpatient setting. This includes: 1) HIV counseling, testing and referral; 2) medical evaluation and clinical care; 3) other primary care services; and 4) referrals to other health services. The capacity development grant is used to enhance, or expand access to high quality primary health care services to persons living with HIV or who are at risk of infection in underserved or rural communities. This program is not intended to support long term activities.
Ryan White HIV/AIDS Program Part D EIS COVID 19 Response	4/13/2020	Direct Allocation Award WVU Research Corporation	\$20,000.00		Program objectives are to provide a comprehensive continuum of HIV primary care in an outpatient setting. This includes: 1) HIV counseling, testing and referral; 2) medical evaluation and clinical care; 3) other primary care services; and 4) referrals to other health services. The capacity development grant is used to enhance, or expand access to high quality primary health care services to persons living with HIV or who are at risk of infection in underserved or rural communities. This program is not intended to support long term activities.
Addiction Medicine Fellowship	6/2/2020	Direct Award WVU	\$379,709.00		Increase number of fellows at accredited addiction medicine and addiction psychiatry fellowship programs. Will train addiction specialists
Rural Health Clinics for COVID-19 Testing	5/20/2020	Direct Allocation to 52 Rural Health Clinics across the state	\$2,571,994.00		Resources and flexibilities to boost testing capacities for COVID-19. Awards to 5 Health Center Programs across the state.
New & Expanded Services under the Health Center Program	3/16/2020-2 awards; 4/13/2020-3 awards; 4/14- 3 awards;5/26-27 multiple awards; 5/28/2020-multiple awards; 6/11 awards	Direct Allocation to Health Center Programs across the state	\$31,310,261.00		The program objectives are to provide for expanded and sustained national investment in health centers funded under section 330 of the Public Health Service Act, including expanding the current safety net on a national basis by creating new access points (i.e., new health centers and sites and by supporting expanded services at existing health centers.)
FY 2020 Primary Care Association Covid-19		Direct Allocation to WV Primary Care Association	\$90,088.00		Training and Technical Assistance to HRSA Funded Health Centers.

LAL ECT	HYGEIA Facilities	Direct Allocation HYGEIA Facilities	\$170,642.00		To provide for expanded and sustained national investment in health centers funded under section 330 of the Public Health Service Act, or designated by HRSA as meeting the requirements of the Health Center Program (referred to as look-alikes).
